#### 8. Adjourn:

All items on this agenda, including but not limited to any agenda item concerning the adoption or approval of any resolution, contract, agreement, or any other item of business, are subject to revision or amendment, including additions and/or deletions, without exception. Any revision or amendments will be limited and rationally related to the topic of the agenda item. The Board may defer, strike, continue, table, and/or refer any agenda item to its chief administrative officer, staff, attorney, and/or refer back or appoint a committee for the purpose of gathering more information the Board may need to take action on any agenda item at a subsequent special or regular meeting of the Board.

This Meeting is held in compliance with the Open Meeting Act, Title 25 of the Oklahoma Statutes, Section 301 and following, as amended. Notice of this meeting is on file with the County Clerk's Office. The agenda for this meeting was posted on <a href="December 1">December 1</a>, 2022 in the following location:

6660 S. Sheridan Rd. Suite 120
Tulsa, OK 74133
and
tulsaccd.org

#### STATEMENT OF APPROVAL OF MINUTES

I certify that the minutes of the meeting of the Tulsa County Conservation District Board of Directors held on **December 2**, 2022 were approved as written by a vote in the **Regular**Meeting of the Board of Directors held March 16, 2023

Chair, Board of Directors

 $\frac{3}{16}/2023$ 

Attest:

Hahmael Pauhen

#### Minutes

#### Tulsa County Conservation District 6660 S. Sheridan Rd., Suite 120 Tulsa, OK 74133 Special Board Meeting

Date:

December 2, 2022

Time:

5:30 PM

Members Present:

Tom Tolbert, Chairman

Julie Monnot, Vice-Chairwoman

Chrissy Parker, Member

Members Absent:

Michael Patton, Treasure Jana Black, Member

Others Present:

Gabriael Parker, District Manager

Ray McIntosh, Farm Bill Specialist, NRCS

Jack Titchener, Tulsa Urban Soil Conservationist, OCC -

**NRCS** 

Chris Clemens, District Conservationist, NRCS

#### 1. Meeting Called to Order:

Chair Tom Tolbert called the meeting to order at 5:30 PM. He noted that this was a regular meeting and held in compliance with the Open Meeting Act. Title 25 of the Oklahoma Statutes, Section 301 and following, as amended. Notice of this meeting is on file with the county clerk's office. The agenda for this meeting was posted on December 1, 2022, in the front window of 6660 S. Sheridan Rd., Suite 120, Tulsa, OK 74133, and tulsaccd.org.

#### 2. Roll Call

Tom Tolbert Julie Monnot Chrissy Parker Gabriael Parker

#### 3. Public Comments

None

#### 4. Discussion of Urban Conservation Area

Julie Monnot suggested we contact Kelly Rowland with PSO to see if they would like to partner with us to plan some education projects on the district-owned property. Tom Tolbert liked that idea, and Julie said she would contact Kelly. No further action is needed to be taken at this time.

#### 5. Discussion and Approval of 2023 Notice of Regularly Scheduled Meetings

After a brief discussion, Julie Monnot made a motion to approve changing the regularly scheduled meetings from the second Wednesday of the month at 5:30 PM to the second Thursday of the month at 5:30 PM. Chrissy Parker 2<sup>nd</sup> the motion. Ayes: Julie Monnot, Chrissy Parker, and Tom Tolbert. Nays: None. The motion carries.

#### 6. Cost Share Program Year - Emergency Drought Program ED 2

#### A. Discussion of Updated Guidelines

Gabriael Parker said she had received a few updates on guidelines since we met on October 12, 2022. They are as follows:

OCC received notification late Thursday that Governor Stitt approved an additional \$5 million for the Emergency Drought Cost-Share Program. Each <u>county</u> will receive an additional amount of \$64,935. Allocations for conservation districts not on county boundaries are based on the percentage of county acres that fall within the conservation district boundary.

#### Recap of Recent Changes

- Certification of drought conditions is no longer required.
- Pond clean-out unit cost increase:

Less than 1,000 yards, \$2,500 1,001 – 2,000 yards, \$5,000 Greater than 2,001 yards, \$7,500

- The program applies to all livestock owners whose animals contribute to the family's financial support. (i.e., cows, horses, pigs, chickens, etc.)
- Producers who completed a pond clean-out or pasture tap after <u>June 11, 2022</u>, can now apply for assistance.

Gabriael said our new available allocation amount is \$97,935. We will be able to move more people up from the alternate list.

#### Form Modifications

- A different version of the Certificate of Completion and Acceptance form must be used for all pond clean-out and pasture tap practices.
- The Allocation Report has been modified to include the latitude and longitude
  for each approved applicant, <u>including alternates</u>. This information will be used to
  create maps showing where the most significant demand for drought assistance is.

Remember, for the Emergency Drought Cost-Share Program; districts are **required to submit an Allocation Report each month**.

Gabriael said there would most likely be more changes. No further action needs to be taken at this time.

#### **Tulsa County Conservation District**

#### B. Discussion and Approval of Cooperator Agreements:

a. Joe Eschbach

b. Tommy Hudson

c. Tonya Goesch

d. Garret McClendon e. Charissa McCreary

#### FW: Drought Commission Meeting Changes: EFFECTIVE IMMEDIATELY

Taylor Marshall <Taylor.Marshall@Conservation.ok.gov>
Thu 11/10/2022 15:28

To: OCC All Districts <OCCAllDistricts@conservation.ok.gov> Hello All,

I know that this has been a long week for all of us. Please know that everyone here at the Commission appreciates the long hours of hard work that you are putting into this program. As I stated in my email this morning, the Drought Commission met again yesterday. During that meeting it was voted to make some significant changes to the existing program. You will find everything you need to know about these changes in the information below. Please read the following carefully.

#### **Funding:**

- Additional \$12 million added to the Emergency Drought Cost-Share Program
- Each county will receive \$155,844

#### **Conservation Practices**

- All eligible conservation practices completed on June 11, 2022 or after are now eligible.
- Participants are no longer required to follow NRCS specifications.
- Implementation of all practices do not require district or NRCS staff certification.
- Conservation plans are no longer required for any practice.
- Implementation of all practices will be self-certified by the participant. (new form)

#### **Taking Applications**

- <u>All</u> districts are required to immediately reopen your application period and remain open until COB *November 28, 2022.*
- All districts must accept applications for all practices during this application period.
- All districts are required to advertise this new application period.
- Individuals must be able to apply in person, email, or snail mail. Districts cannot require in person application only.
- In cases where districts have taken names and telephone numbers of individuals interested in the drought program you <u>must</u> contact them and give them an opportunity to complete an application.
- Individuals that have already applied cannot reapply during this new application period unless they
  withdraw their original application. For example: they applied for a pond cleanout, it has rained and
  they have water in their pond. The pond cleanout application can be withdrawn and they can apply for
  a different practice. One application per person.
- At this point in the program districts should have already set their cost-share rate(s), you cannot go back and change them.

#### **Applications**

- Applications that have previously been ranked and approved for funding do not require a performance agreement or consultation with NRCS prior to beginning implementation.
- Applications that have been ranked and approved as alternates can be funded with the additional allocation your district received today.
- New applications received during this new application period will not be ranked using your districts ranking system. Approval for funding <u>must</u> be completed in a district board meeting using an online random number generator. Just Google "random number generator" and you will find many options to pick from.
- Performance agreements are no longer needed.
- · Waivers to start are no longer needed.

#### Claims

- Average costs will not be used as part of the payment calculation.
- Cost-share payments will be the lesser of the participant's actual cost to install the practice multiplied by your district's approved cost-share rate or the maximum payment amount of \$7,500.
- Districts must have the participant complete a W-9.

- Required claim backup documentation for all drought practices is as follows:
  - Notarized OSF-3 Form
  - Calculation Sheet (use the current form)
  - Self-Certification Form
  - Any relevant receipts and In-Kind contributions
  - · Landowner Consent Form, if required (use the current form)

#### Requests from Public for Emergency Drought Cost-Share Records

- · Requests must be in writing to the district.
- Provide only what is requested. For example: if they just want to see the ranking sheet(s) then share only the ranking sheet(s).
- Districts are not required to create a new record to respond to a request.
- · Do not include SSN.
- You can include name, address, phone number, email address.

In addition, we would like to make a request that all questions regarding the Emergency Drought Cost-Share Program need to be directed to myself or Tammy Sawatzky.

Everyone takes some deep breaths. This might not be our standard operating procedure but I know that you are all up to the challenge. If you have any questions, you know where to find us.

Thank you and Happy Veterans Day!

# **Taylor Marshall**

Cost-Share Program Coordinator Oklahoma Conservation Commission

Taylor.Marshall@conservation.ok.gov

Office: (405)-521-6711 Cell: (405)- 227-9027

From: Taylor Marshall

Sent: Thursday, November 10, 2022 10:37 AM

To: OCC All Districts < OCCAllDistricts@conservation.ok.gov>

Subject: Drought Commission Meeting Changes: EFFECTIVE IMMEDIATELY

All,

As most of you may know the Drought Commission met yesterday at 3 pm. It is likely that you have already heard about the additional 12 million in funds and the changes that were made to the existing program. Tammy and I are working diligently to provide you with guidance on these changes. What we ask of you now is this.

EFFECTIVE IMMEDIATELY: If someone comes into your office requesting to apply, you have them fill out an

application. This does not mean taking their name and phone number. They need to submit an application for the practice(s) that they want to implement. In addition, all counties are now REQUIRED to offer ALL practices provided in the guidelines. If someone wants a well but your board decided not to offer them, this is no longer an option. You must take there application. Those practices are as follows:

Well
Pipeline
Pumping Plant
Watering Facilities
Heavy Use Protection Area
Cover Crop Planting for Erosion Control
Forage and Biomass Planting (Excluding Bermuda)
Pasture Taps
Pond Clean-Out

Please be patient with us today as we work through the best guidance to give you for this every changing situation.

This is an agreement between the Tulsa County Conservation District, hereinafter
referred to as District and Joshua AND CASSIE LAND, hereinafter referred to as Cooperator(s)
Check either Landowner or Non-landowner box:
∠ Landowner:
The Cooperator(s) Agrees to:
1. Cooperate with the representative of the District to develop as rapidly as feasible, a conservation
plan for his/her land.
2. Start applying one or more conservation practices as provided in the conservation plan and which
meets the technical standards of the District.
3. Maintain all conservation practices established in an effective condition and continue the use of
all conservation measures put into effect.
The District Agrees to:
1. Furnish Cooperator(s) with technical assistance as needed in developing a conservation plan
based upon a soil and plant inventory of the land.
2. Furnish the Cooperator(s) a conservation soils map, aerial photo and job sheets for needed
conservation practices.
<ol> <li>Furnish the Cooperator(s) with information, guidance and needed technical assistance as available for proper maintenance of established conservation measures.</li> </ol>
4. Keep Cooperator(s) informed of conservation programs suitable for implementation on their land
resep cooperator(s) intermed of conservation programs suitable for implementation on their tand
Individual Non-Landowner, Organization or Business:
The Cooperator Agrees to:
1. Work with representatives of the District to carry out planned projects, assist with district
activities and participate in district events.
2. Become knowledgeable about the District. Suggested ways to do this are attend board meetings,
volunteer to help with District activities, read District materials, attend conservation meetings or visit with district directors or staff.
3. Provide input to the District as they develop their conservation goals and needs assessments.
The District Agrees to:
1. Provide information and education to the Cooperator(s) so they will be informed about the
District, conservation programs, and District activities.
2. Provide opportunities for Cooperator(s) to become involved in information and education events and activities, and other District activities and projects.
3. Provide recognition to Cooperator(s) for assistance to the District.
- 110:140 1005 Billion 10 000 postatos (o) 101 auditume to the Dibato.
It is mutually agreed that:
1. Provisions of this agreement are understood by the Cooperator(s) and the District and that neither
shall be liable for damage to the other's property resulting from carrying out this agreement
unless such damage is caused by negligence or misconduct.  2. This agreement supersedes any previous Cooperator Agreement between the Cooperator(s) and
the District.
3. This agreement will become effective on the date of the last signature and may be terminated by
either party upon written notice.
